

## ***EAST-WEST INVITATIONAL – SUMMARY OF EVENTS***

We want to thank all of our teams, coaches, and athletes who attended the Fourth Annual East-West Invitational. Our meet was held this year at Lakota East High School. We were all treated to some exciting competition from all grades on a beautiful May weekend.

We have posted a complete listing of results from the 5-6<sup>th</sup> grade and 7-8<sup>th</sup> grade meet on the website. Following is a brief summary of the overall results.

**7-8<sup>th</sup> Grade Meet.** There was clearly something in the air at Lakota East on Friday night as Meet records were dropping like flies. From the very first event the West had a dominating performance. The overall results showed the West boys beating the East by a score of 96.5 to 59.5. The West girls were even more dominant, winning the meet by a score of 106.5 to 49.5. Congratulations to the athletes and coaches from the West. But as we have said before, these results seem to run in cycles so don't rest too long on your laurels.

Our Meet Outstanding Performers were Kerry Caddell of St. Ignatius and the St. Barts trio of Patrick Coyne, Cameron Pankey, and Jourian Austin of St. Barts. Congratulations to these fine athletes.

**Pentathlon.** The featured event of our 7-8 meet is the Pentathlon. Our athletes once again did not disappoint, and some of the individual performances in these events would have won the overall meet. Our overall winners in the Pentathlon were Neal Eckstein of St. Gertrude, with a score of 42 points, followed by Matt Devine of SMAC and Steven Sieber of Guardian Angels who tied for second. On the girls' side, Pam Showman of Sacred Heart was very impressive, scoring a perfect 50 points. It's awfully hard to beat that performance. Ellen Conners of SMAC and Maggie Weaver of St. James also had strong performances, tying for second place.

**5-6<sup>th</sup> Grade Meet.** Our fifth and sixth graders also stepped up to the plate, and the competition between the East and West schools in this meet was very close. The East took home the winner's crown in both the boys and girls meets, the boys by a score of 52-44 and the girls by a score of 57-39. The hot weather may have contributed to fewer meet records being established, but still the performances were outstanding. Our Meet Outstanding Performers were Nikki Jackson of Assumption and Brian Burnett of Bethany.

Thanks to all of our volunteers, sponsors, guests, and athletes who participated in the East-West meet; we hope you enjoyed it. Let us know if you have any thoughts or comments about what we did well or what we could do better.

Good luck to all in the CYO Championship Meet.
