Pentathlon Scoring is now done using the official IAAF (International Association of Athletics Federations) Tables as used for Pentathlon, Heptathlon and Decathlon Events in International Track and Field Meets. (April 2004 Edition)

Girls/Boys will participate in five events for the Pentathlon during for the SMAC Track Meet. Those events:

- Shot Put
- Long Jump
- 100 Meter Dash
- 400 Meter Run
- 1500 Meter Run

Points will be assigned to each individual per event based on performance in that particular event using the tables on the following pages. The individual with the most points overall will be declared the winner. In the event of a tie score between two individuals, the tie-break will go to the winner of the head-to-head of the five events.

Scoring example for a Girls Pentathlon:

Total	100 Meter Dash		400 Meter Run			1500 Meter Run			Long Jump		Shot Put		346
	Seconds	Points	Minutes	Seconds	Points	Minutes	Seconds	Points	Feet	Inches	Points	Feet	
2365	12.91	786	1	: 05.69	489	6	: 30.33	332	14	' 06.50 "	412	23	' 06.00 "

The above example uses formula calculations, so the time/distance calculated from the spreadsheet may not match exactly with the corresponding table result from the following pages, but it will be very close. Off by a point in some cases.

Also note, the table for shot put is listed in meters and requires an English (inches) to Metric (meters) conversion of .0254. In the example above, 23'6" converts to approximately 7.17 meters.

In addition, the table for long jump is listed in meters and requires an English (inches) to Metric (meters) conversion of .0254. In the example above, 14'6.5" converts to approximately 4.43 meters.

There are two sets of tables, one each for boys and girls. Please be sure to use the appropriate tables for your calculations if you intend to do self-scoring.

As the example above shows, this individual earned 786 points from her performance in the 100 Meter Dash, 489 for the 400, 332 for the 1500, 412 for Long Jump, and 346 in Shot Put for a grand total of 2365 points. If her point total is higher than all other individuals competing in the Pentathlon, she would be declared the champion. Boys are scored the same way, again using the tables for men and not women.
