Team Scoring:

Scored as a dual meet for grades 5-8. (No individual team scoring). 5 points for first, 3 for second, 1 for third for all individual events. 5 points for first only for relays. Pentathlon scoring for grades 7-8 only, also included in final team scores, uses: 10, 8, 6, 4, 2, 1 format.

History:

Started by Tim Butler (SMAC Founder/President) in 2004 to be a showcase track meet for the youth of Cincinnati. The concept was to pair the schools/athletes from the East side of Cincinnati versus the schools/athletes from the West side in an All-Star type format. For the 7th-8th grades, additional events, such as the Pentathlon, were added as another opportunity for the athletes to show their talents.

Thanks:

Thank you to Randy Kuvin (Meet Director), Jim Waters (CTCYO President) and all CTCYO Board Members, Tim Butler (SMAC Founder/President) and all SMAC Board Members, and all the SMAC parents/families for all their assistance in running this annual track meet. And to Milford Schools for the use of their facility.
